Since 2015 FBH Group has established itself as one of the top Food & Beverages entities in the Kingdom of Saudi Arabia an outstanding achievement which we are justifiably very proud of. FBH Group measures success by the ability to realize business opportunities with our partners. Extraordinary determination, passion and flair define us.

As business continues to soar to greater heights, our brand reflects our beliefs that the sky is not the limit. As world-class, we mix the best international practices with local market knowledge and expertise, seeking continuous process refinement.

We thrive for new challenges and are fiercely protective of our market leadership. We truly have an exceptional team of highly experienced professionals. Each individual commitment and dedication to being the best in the business drives us onwards. Our people are our greatest asset and hope.

**FBH Group** is a Saudi owned company that is specialized in F&B products manufacturing, and F&B retail sectors.

OUR NEWEST BRANCH

Homemade Burger Gourmet Restaurant is a new chain that began to spread in Makkah, Jeddah, Riyadh and Taif. It is a well-known restaurant among young people for the variety of meat dishes and the beautiful atmosphere in the restaurant.

Chef's offers an amazing experience for meat lovers, offering smoked meats (Brisket & ribs) and juicy burgers, and different kinds of sauces.

**1 NEW BRANCH**

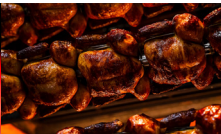

Arabian traditional food chain that serves Shawaya grilled chicken, with American/Basmati rice and with their delicious green salad, and kinds of sauces.

We had the honor to be the first fast food shawaya concept in KSA that provide the best and fast service with high quality food.

As world-class, we mix the best international practices with local market knowledge and expertise, seeking continuous process refinement.

NEW BRANCH

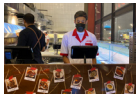

**JAZZAR**

JAZZAR, sets itself apart in the market through a combination of unique aspects that make its brand and offering unparalleled and difficult to replicate by other competitors. These distinguishing factors include its culinary philosophy, sourcing practices, and customer experience.

The restaurant regularly introduces new and exciting dishes, incorporating unique flavors and culinary techniques to surprise and delight its customers.

**SUB  
SANDWICH  
STATION**

## SUB SANDWICH STATION RESTAURANT

Famous for its sandwiches, The station is something new and has a different atmosphere in the world of restaurants and the design of the restaurant has a cool ambiance.

They have great sandwiches' dishes including steak, chicken and meat sandwich, LA fries, and many more great items.

THANKYOU
